

Where can I get a udacity icon from???

- Check wikipedia or their github repos; might be one in their READMEs...
- AhHA! Only says "The page at minimum includes all of the following: ...a logo."
- Doesn't say I have to use theirs!!!

Header.

- Icon left justified and immediately across from right justified text.
- Icon is also same height as combined Name & Title text.

Box 0.

This image looks to be 100% width.

For
TABLET &
DESKTOP

Box 1, 2, 3.

- While these 3 boxes are equal in size and about 33% of width. NOTE: Large / wide padding is ONLY between them, not outer!

Desktop Only:

Add in margins so max-width 'flex' stops at 768px (width of iPad and Rubric requirement)
